Yılmaz Küçük

Electrical & Electronics Engineering Student

yilmazkucuk.eee@gmail.com linkedin.com/in/yilmazkucuk yilmazkucuk.com Istanbul, Türkiye

PROFILE

Electrical and electronics engineering student interested in energy systems, electricity distribution networks and embedded systems. I enjoy combining electrical engineering with software to build practical tools.

EDUCATION

Bachelor's Degree in Electrical & Electronics Engineering — Bahçeşehir University 09/2024 – present
Istanbul · Field of study: electricity and energy, electronics and automation

High School Diploma (Science Programme) — Konya Ereğli Science High School 09/2017 – 06/2021
Konya · Final grade 93/100

SKILLS

Electrical & Energy	Electricity distribution networks, MV/LV network structure, circuit analysis, energy systems
Electronics	Arduino, embedded systems programming
Software	Python, C/C++, JavaScript/TypeScript, Microsoft Office
Personal	Teamwork and collaboration, problem solving

LANGUAGES

Turkish	Native
English	B1–B2 (listening B1, reading B2, speaking B1, writing B1)

OTHER

Driving licence	AM, A1, A2, B1, B, C1
Interests	Swimming, running, hiking
